## AUTHORIZATION FOR THE MEDICAL TREATMENT OF MINORS

If your child needs medical, dental, or health services, under the law, you as a parent must give permission. Naturally, if you are with your child you can give permission as the need arises. You can prepare for those unexpected times when you are not with your child by filling out this authorization form. Using this form, you can give permission to the Silver Bay YMCA Staff to act for you, in your absence regarding the treatment of your child. If your child needs unexpected medical treatment the Silver Bay YMCA Staff will present this document to the appropriate person - physician, dentist, or hospital representative. When a true emergency exists, a child may be treated without parental consent. This will happen when a physician determines the child needs immediate medical care and that an attempt to obtain parental consent would result in a delay which would increase the risk to the child's life or health. **I, being the parent of custody and/or legal guardian of the minor named, do hereby appoint SILVER BAY YMCA STAFF at 87 Silver Bay Road, Silver Bay NY 12874 to act on my behalf in authorizing unexpected medical, dental, surgical care and hospitalization for the minor named in my absence.** I have read and understand the authorization for medical treatment.
