## 2021 GOLF TOURNAMENT SPONSORSHIP OPPORTUNITIES

You are invited to benefit the children and families of Hague, Ticonderoga and beyond by being a sponsor of our annual golf event on August 11, 2021!

Here is how your sponsorship will support our community:

**Open Pathways and Silver Camp:** Financial assistance is offered to local boys and girls to provide them with the opportunity to attend summer camp at Silver Bay YMCA. Silver Bay YMCA's Silver Camp and Swim Lessons are designed to provide kids with new challenges to build confidence, foster self-worth, and to build relationships with others. Your sponsorship will provide support for families throughout the towns of Hague, Ticonderoga, and the surrounding communities can provide their children with access to the life changing programs offered by Silver Camp, regardless of their family's income.

**Vacations Made Possible:** In addition to providing local families facing financial difficulties with opportunities to reconnect with their loved ones at Silver Bay YMCA, Vacations Made Possible also offers respite to individuals and their families who have provided essential services to patients and people throughout the pandemic. Your sponsorship will provide opportunities for healthcare workers, nurses, police officers, and other essential workers to enjoy a reprieve from the stresses associated with their essential service.

**Military Family R&R:** Recently deployed military personnel and their families can use Silver Bay facilities for a time of respite, allowing them to focus on one another and restore their family ties.

**Pastoral Respite Program:** Pastors and their immediate families, as well as others who are involved in ministry, are invited to stay in Brookside Community House or Trinity House, two facilities that are dedicated to the spiritual growth of all who come to stay.

**Cancer Respite Program:** Patients who are actively being treated for cancer along with their immediate family can have a temporary respite at our facilities at no cost. This program gives individuals the opportunity to reconnect with their loved ones and enjoy a reprieve from the stresses and financial challenges associated with the battle against cancer.

By joining forces with Silver Bay YMCA as an annual corporate sponsor, you will show your commitment to helping local families and further our partnership in mission to benefit our community. It will also demonstrate to our members, friends and community that you share in their values. By supporting one of these sponsorship packages, you will provide needed support to sustain these transformative programs that help local children and families in the New York North Country.
