

Silver Bay YMCA Council Allocations Request Form

Silver Bay Council provides needs-based funding for projects, purchases and programs of Silver Bay which fall outside the annual budget. A friend of Silver Bay, Council, Administration, Full-Time Staff or Board of Trustees may submit an allocations request.

Once your request is received, the Council Allocations Committee will review and determine if appropriate to present to Council for vote. A simple majority vote, taken during a scheduled council meeting in either May, August or October, is required to allocate funds. The requestor will then receive an email with a signed approval of the request. **PLEASE NOTE:** Requests must be received two weeks [prior to a scheduled Council meeting](#) to allow for adequate consideration.

Please submit this form via email to SilverBayCouncil@gmail.com, attention Peter Meyers, Council Vice President.
